

## Gosho Quote for July 2017

Reply to Utsubusa Nyōbō

*(Utsubusa nyōbō gohenji)*

Let me briefly describe the virtues of Myoho-Renge-Kyo. The five characters of Myoho-Renge-Kyo can change evil into good, just like poison changing into medicine. Pristine Spring is so named because in this spring, stone can change into treasure. In the same manner, these five characters are able to change common mortals into Buddhas.

(Gosho, p.1492)
